Key features

Breakdown type and **directorate name** are specified in the header. Black text in the header is hyperlinked: clicking on '2020 NHS Staff Survey Results' navigates back to the contents page.

Directorate results are presented in the context of the (unweighted) **organisation average ('Your org')**, so it is easy to tell if a directorate is performing better or worse than the organisation average. For all themes, a higher score is a better result than a lower score.

The **number of responses** feeding into each theme score **for the given directorate** is specified below the table containing the directorate and trust scores.

! Note: when there are less than 11 responses in a group, results are suppressed to protect staff confidentiality
